- Connect with key cleantech players

Ensure your participation now!

Nordic Green II, Silicon Valley 27.–28.4.2010

Nordic Green II is a follow up to a very successful conference in 2008. The conference will be a unique opportunity for Nordic companies who are seeking customers, partners, investors and other innovators in the US to gain exposure and connect with the VCs, entrepreneurs, researchers, thought leaders and other experts in the Silicon Valley innovation ecosystem.
